U.S.C. § 922(j)

PETITIONING THE COURT

To modify the conditions of supervision as follows:

14. You shall complete a mental health evaluation and follow any treatment recommendations, including taking prescribed medications, as recommended by the treatment provider. You shall allow reciprocal release of information between the supervising probation officer and treatment provider. You shall contribute to the cost of treatment according to your ability.

CAUSE

Recent contact with the offender suggests that the above-mentioned modification is appropriate. Johnny Cash commenced a 3-year term of probation on March 8, 2004, in the District of Utah. His probation term is due to expire on March 7, 2007. Jurisdiction was transferred to the Eastern District of Washington on May 14, 2004.

Mr. Cash has expressed an interest in participating in mental health treatment. In an attempt to provide Federal funding, if necessary, it is requested that the Court modify the conditions of supervision to include the aforementioned condition. Mr. Cash signed the attached waiver of hearing and is in agreement to modify his conditions of probation if the Court is inclined to do so.

It is respectfully recommended that the attached waiver of hearing to modify conditions of probation be adopted requiring Johnny Cash to participate in mental health treatment at the direction of the probation office.

Respectfully submitted,

by

Tommy Rosser
